\$120 after Jan 12th

• 2024 Beginner Beekeeping Classes

The Rockwood Park Backyard Beekeepers Association (RPBBA) is holding their annual Beginning Beekeeping Course over 4 Saturdays from beginning of February to middle of March. Attendees will receive instruction on the basics of beekeeping, the various equipment including hive components and tools, diseases and pests, what to expect in the first year, how to purchase and install your bees, sources of pollen and nectar, and (weather permitting) a hands on field day in the club's apiary. The course includes:

- ✓ 3 Books: *The Beekeeper's Handbook*, *Beekeeping Basics*, and *A Field Guide to Honey Bees and Their Maladies*.
- ✓ Thumb Drive of Slides from Class
- ✓ Over 20 Hours of Instruction Utilizing the **Virginia Beekeepers Teaching Consortium**
- ✓ An Afternoon In-Hive Session
- ✓ **1-Year RPBBA Membership**

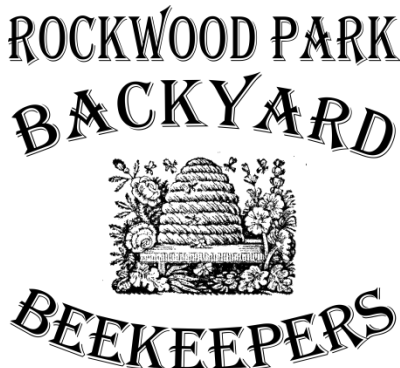

What You Need to Bring

- Snacks, Lunch & A Drink
- Pen & Notepad

Can't Make A Date?

RPBBA practices reciprocity with the [Huguenot Beekeeping Association](#) (HBA). Participants who are unable to make a class at RPBBA, may attend and receive the same instruction at HBA. Both clubs offer the same course on alternating Saturdays.
